THE MINISTER WHO FAILS to interest his congregation and build up his church is generally accused of being a poor preacher, or of not studying hard enough. That is not always where the trouble comes from. Dyspepsia and liver disorders are responsible for many a dull sermon and many a vacant pulpit. When the Dominie's digestive apparatus is working wrong and his nerves are giving him pain, and his brain refuses to do its duty, it is almost impossible to make or to preach a good sermon. Give your suffering minister a bottle of Brown's Iron Bitters. You will see its effect on next Sunday's preaching. The Rev. Mr. Zehring, of Codorus, Pa., was paralyzed, and could not walk except with crutches, until Brown's Iron Bitters made a new man of him. The Rev. Mr. White, of Rock Hill, S. C., says: "It restored me to strength and vigor." Brown's Iron Bitters is not only for the minister, but for all people.
